I would like to express my deepest appreciation and gratitude to Professor **Nadia Khorshid**. Her concerned attitude, which I experienced during her supervision of my M.A., continued through the five years of my investigation. I highly appreciate her kind supervision, sound advice and the time which she generously gave me throughout the period of preparing this thesis. Her enlightening comments and continuous encouragement made this research a better piece of work.

I am grateful to all my friends and colleagues whose encouraging attitude helped me to work hard on this research. A special thanks goes to my friend **Magda Mansour** for her moral support throughout the work and her efforts in proofreading, adjusting the thesis' layout and printing. I'm also very grateful to Dr. **Gihan El Margoushy** for her efforts in proofreading.

Thanks upon thanks to my dearest mother who has undergone the effort of photocopying an immense amount of the material used from the States.

I am very grateful to my husband for his patience and support as well as for helping me in the photocopying and printing processes. I'd also like to thank my in-laws and my children for their forbearance, patience and support while I was preoccupied with my thesis.
