**STUDIES ON THE PREPARATION OF  
TRANSITION AND INNER TRANSITION METAL  
COMPLEXES WITH CODEINE, DIAZEPAM,  
CEFADROXIL AND AMOXICILLIN AND THEIR  
ANALYSIS**

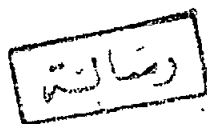

*Presented by:*

**Sayed Mohamed Ahmed Abdallah  
(M.Sc. 1994)**

A Dissertation Submitted for  
the Degree of Doctor of Philosophy  
**(Chemistry)**

67846

546.226

*In*

S. M.

**Ain Shams University  
Faculty of Science  
Chemistry Department**

1974

1974

**STUDIES ON THE COMPLEXES OF  
SOME TRANSITION METAL CATIONS  
AND RARE EARTHS WITH  
SOME DRUGS AND THEIR ANALYSIS**

*Supervised by :*

**Prof. Dr. Mohamed Fathy El Shahat**

Chemistry Department, Faculty of  
Science, Ain Shams University.

*Approved*

*El Shahat*

**Prof. Dr. Mohamed Abd El-Gawad Zayed**

Chemistry Department, Faculty of Science,  
Cairo University.

*M. A. - Zayed*

**Prof. Dr. Ramadan Mohammed Abdallah**  
(late).

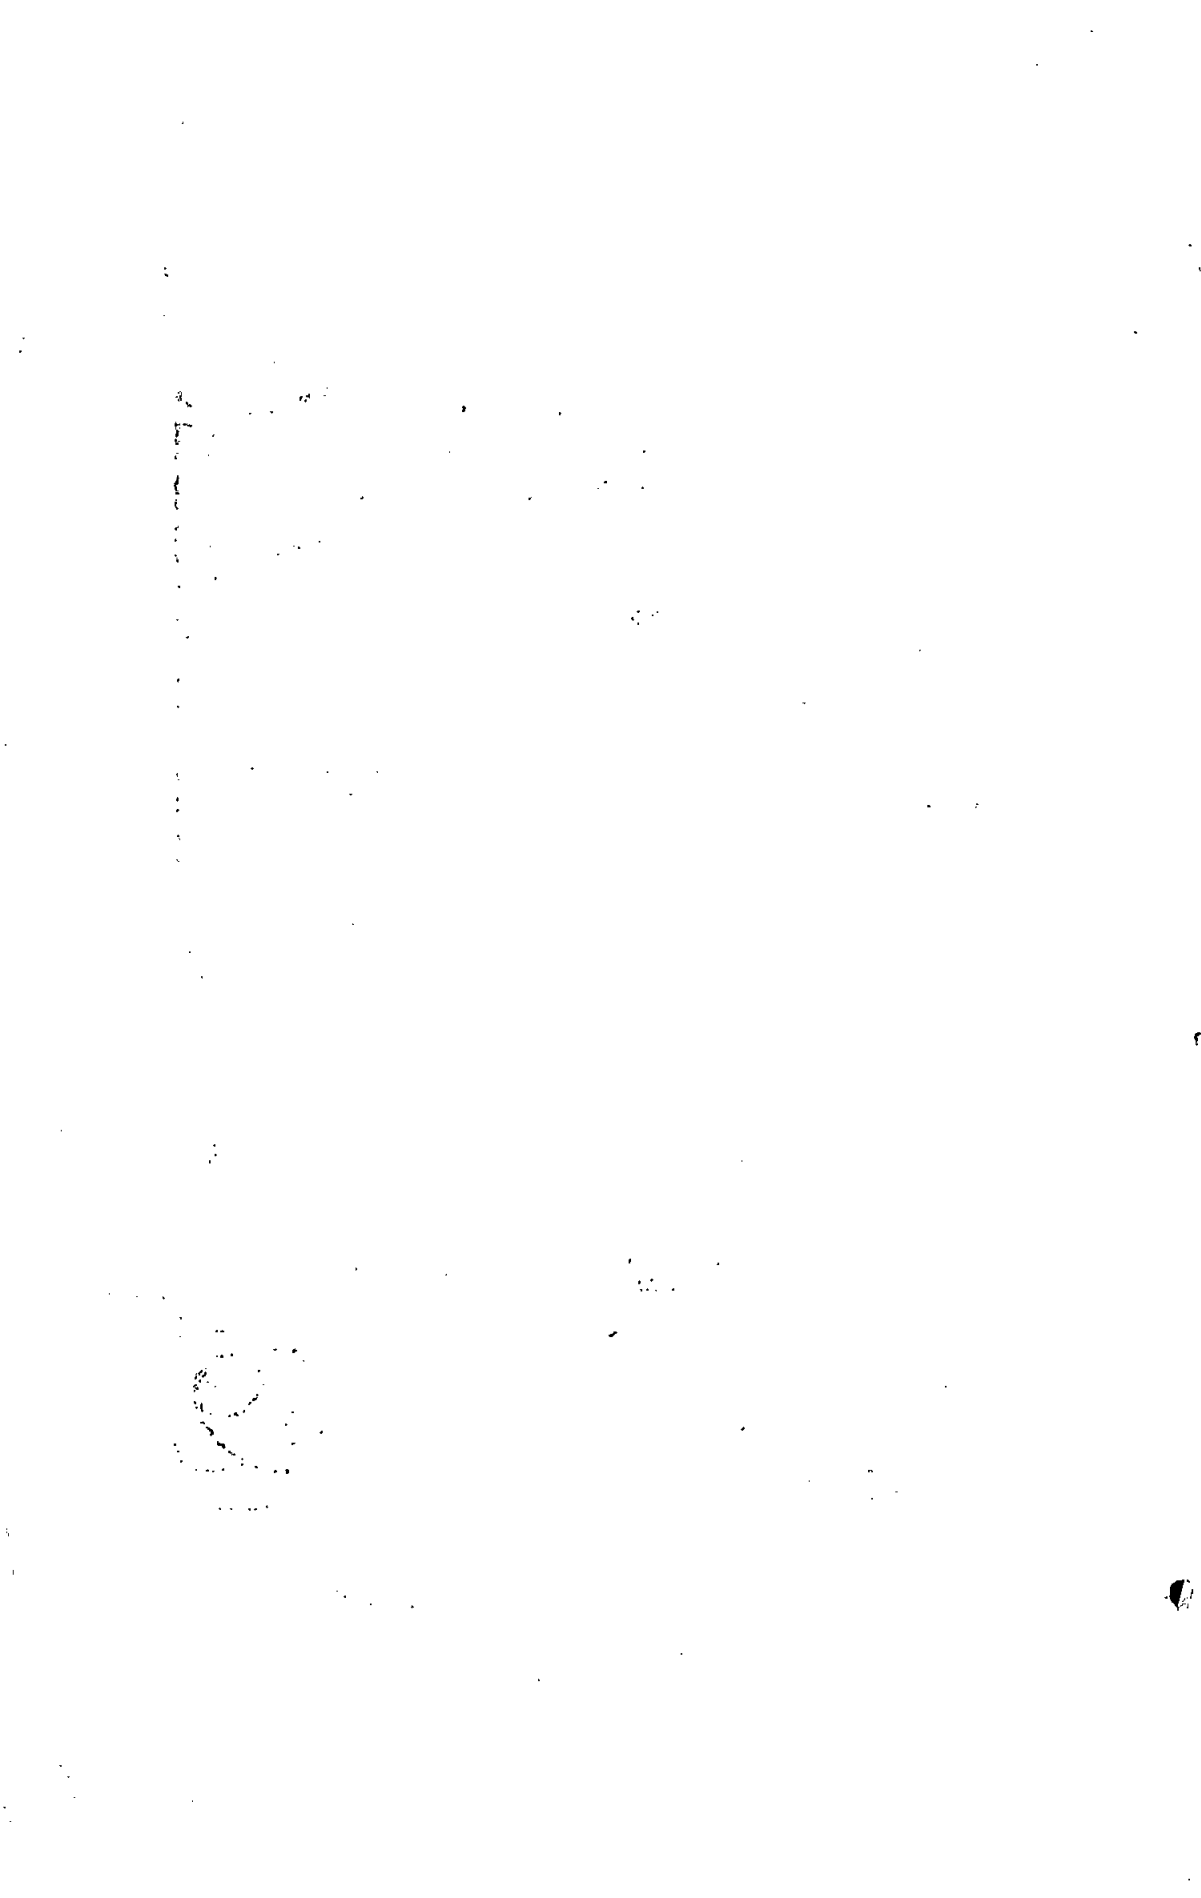

Head of Chemistry department,  
Faculty of Science, Aswan, south -  
Wadi University.

**Head of Chemistry Department**

**(Prof. Dr. Saad El-Sayed Hassan)**

*أ.د. سعد السيد حسن*

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

’ أَلَمْ نَشْرَحْ لَكَ صَدْرَكَ وَوَضَعْنَا عَنَّا  
وِزْرَكَ الَّذِي أَنقَضَ ظَهْرَكَ وَرَفَعْنَا  
لَكَ ذِكْرَكَ فَإِنَّ مَعَ الْعُسْرِ يُسْرًا إِنَّ مَعَ  
الْعُسْرِ يُسْرًا فَإِذَا فَرَغْتَ فَانصَبْ وَإِلَى  
رَبِّكَ فَارْغَب ” (صدق الله العظيم)

## **AKNOWLEDGMENT**

I would like to express my deep thanks to **Prof. Dr. M. F. El-Shahat** for suggesting the problem, continuous supervision and fruitful discussions during my experimental work.

Thanks to **Prof. Dr. M. A. Zayed** for suggesting the problem, continuous supervision of the present work, fruitful discussions during my experimental work in his laboratory and critical reading of the thesis.

I would like to express my deep gratitude to **Prof. Dr. Ramadan M. Abdallah** for suggesting the problem and great help in the experimental work at his lab.

I would like to express my deep gratitude and appreciation to **Prof. Dr. Saad S. M. Hassan**, Head of Chemistry Department, Ain Shams University, for all the facilities needed to fulfill this work and his continuous encouragement.

I would like to express my deep thanks and appreciations to **Prof. Dr. Mohamed T. El-Haty**, Dean of Faculty of Science, **Prof. Dr. Mohamed A. El-Maghraby**, Head of Chemistry Department and **Dr. Mahmoud Abd El-Dayem**, Assistant professor of Analytical chemistry, Faculty of Science, South Wadi University, for their continuous encouragement and help.

I would like to express my deep gratitude and appreciation to **Dr. Shaban M. Khalil**, Lecturer of Analytical Chemistry, National Organization of Drug Control and Research, and **Dr. G. G. Mohamed**, Lecturer of Analytical Chemistry, Chemistry Department, Cairo University, for their continuous encouragement and help.

I should express my deep gratitude and appreciation to my **Mother, Father, Brothers, Wife** and my **Sons** for their continuous encouragement and support during the progress of this work.
