# DEDICATION

*To my Family*

*"Thank you for your  
patience and sacrifice"*

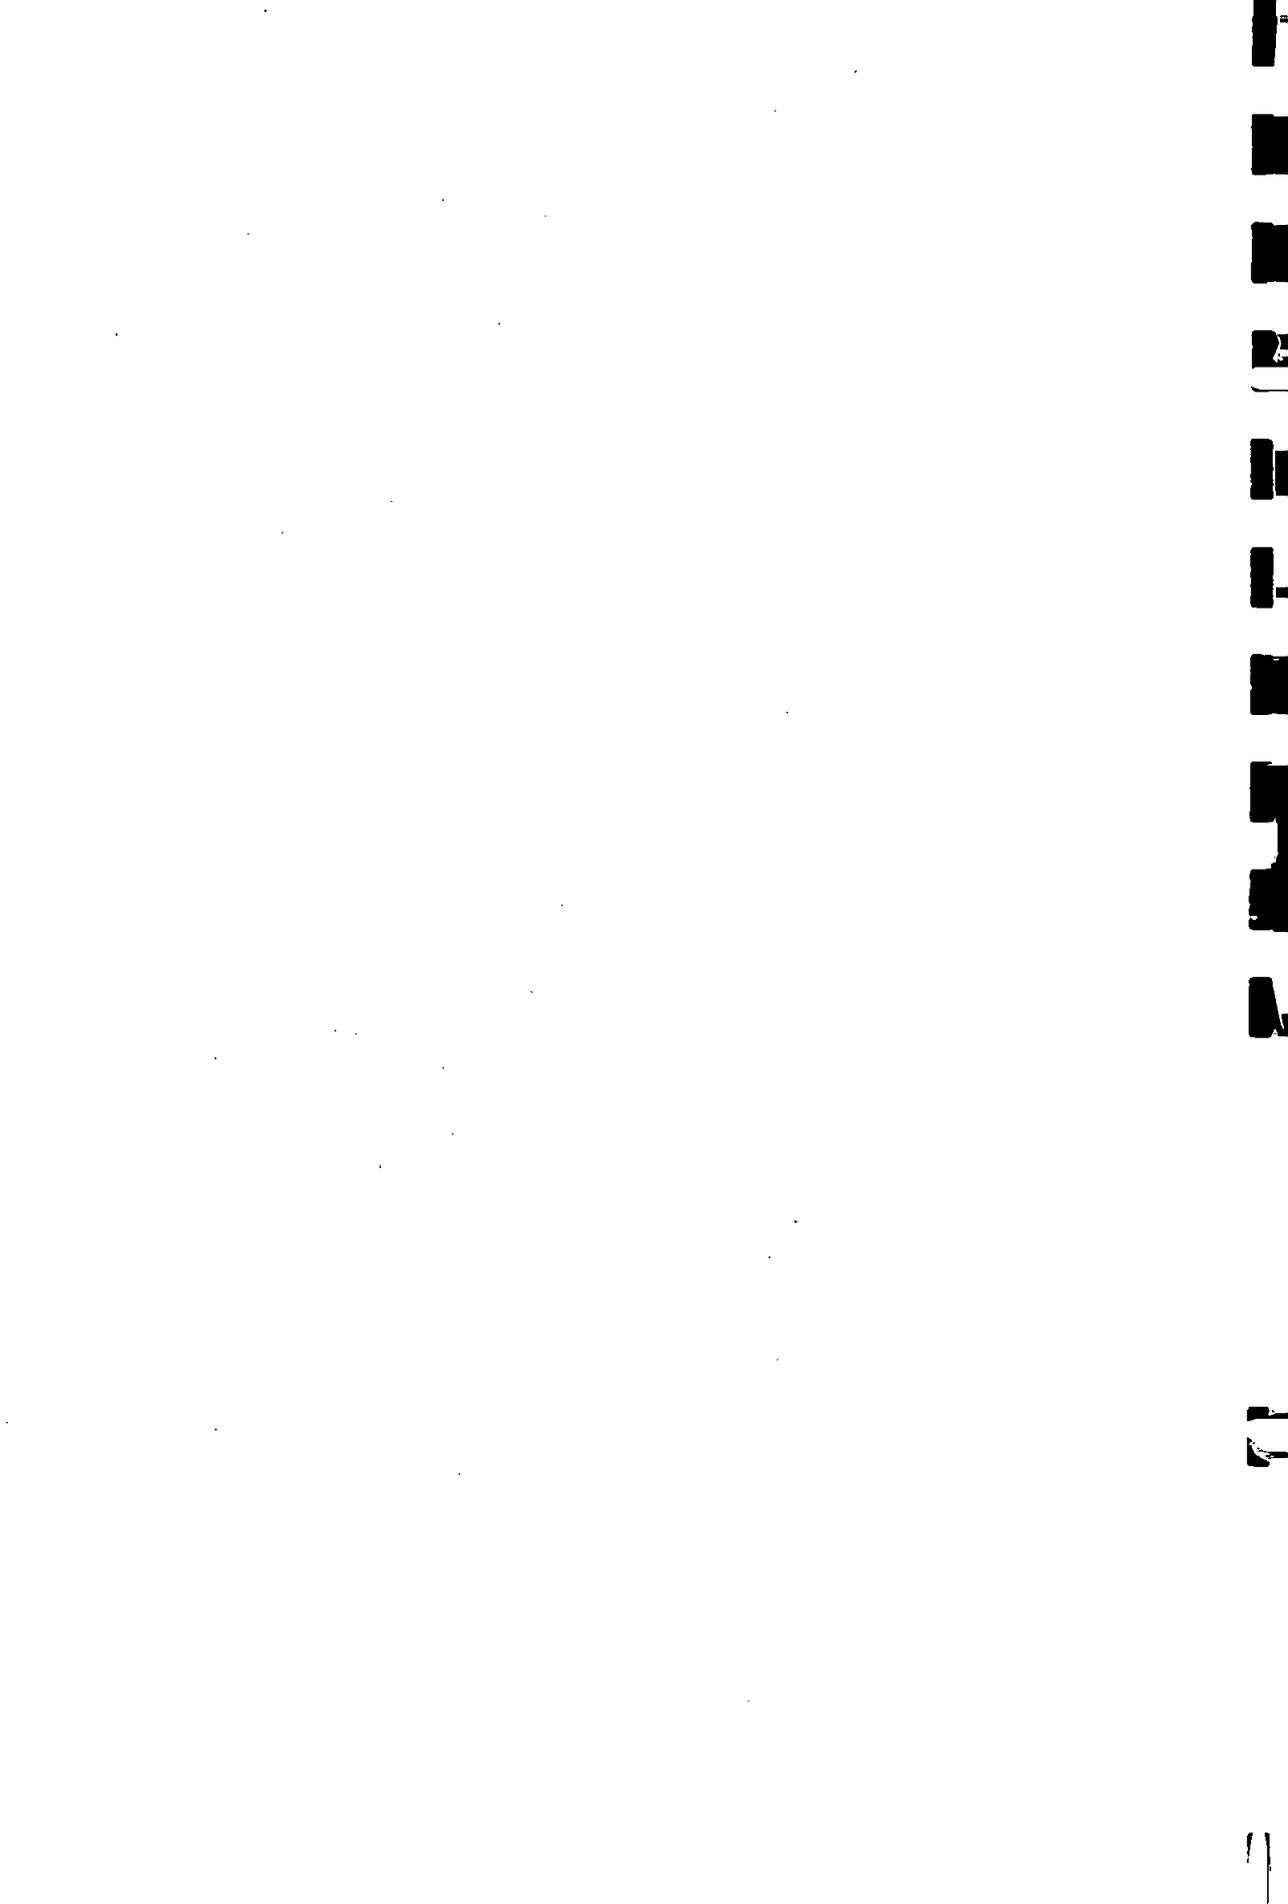

## ACKNOWLEDGEMENT

*First and foremost, thanks  
GOD. To whom I relate any success  
in my life.*

*I wish to express my deepest  
gratitude and appreciation to Prof. Dr.  
Adel Hussien El Hakim, Professor of  
Neurosurgery, Faculty of Medicine,  
Ain Shams University. It is a real  
pleasure to acknowledge his sincere  
encouragement, Keen interest, and  
excellent guidance throughout this work.  
My profound thanks to Prof. Dr. Nabil  
Sayed Saber, Professor of General  
Surgery, Faculty of Medicine, Ain  
Shams University, for his kind  
supervision and constant support.*

*I am also very grateful to Dr. Omar Youssef  
Hammad, Lecturer of Neurosurgery, Faculty of  
Medicine, Ain Shams University. He gave me a  
lot of his time to revise this work.*
