ACKNOWLEDGEMENT

First, I thank "GOD" for granting me the power to proceed and to accomplish this work.

I would like to express my endless gratitude and appreciation to Prof. Dr. Aida Abdel Azim Salem, Professor of Clinical and Chemical Pathology, Ain Shams University, for giving me the honor of working under her supervision and providing me a lot of encouragement throughout this work and always.

I do appreciate the kind and active participation of Prof. Dr. Hala Ahmed Talkhan, Professor of Clinical and Chemical Pathology, Ain Shams University, and Dr. Nermeen Tayseer Aly Fouad, Lecturer of Clinical and Chemical Pathology, Ain Shams University, for their encouragement, and honest assistance in every step of this work. Truly they gave me a lot of guidance and support to accomplish this work, in the appropriate way.
