ACKNOWLEDGMENT

First, thanks are all due to **God** for blessing this work until it has reached its end as a part of his generous help throughout my life.

I would like to direct special thanks to **Professor Dr. Salwa Mehanny Abd El-Malek**, Professor of Anaesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for the great support and encouragement she gave me throughout the whole work. It is a great honor to work under her guidance and supervision.

I am also very grateful to **Professor Dr. Ali Mousa**, Professor of Anaesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for his close supervision, continuous help and the great effort he has done during the preparation and revision of the whole work.

I would like to express my sincere gratitude to **Professor Dr. Bassel Nour El-Din**, Assistant Professor of Anaesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for his generous help and support, he gave me in each step of this work.

I am also indebted to **Professor Dr. Amr El-Said**, Assistant Professor of Anaesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, who was kind enough to devote me much of his time and valuable advice, experience and guidance.

Khaled El-Quesny
