Dedication

This work is dedicated to all my family,
For giving their ultimate care
and support.

To them I owe everything

Acknowledgement

First and foremost, thanks to God, the most beneficent and most merciful.

I wish to express my sincere appreciation and deepest gratitude to Prof. Dr. Adel Husien Al-Hakim, Professor of Neurosurgery, Faculty of Medicine, Ain Shams University, who devoted his time, effort and experience most generously throughout this work and for his help and valuable observations.

I am deeply grateful to Prof. Dr. Emad El-Din Husein Professor of General Surgery, Faculty of Medicine, Ain Shams University, for his continuous supervision and constructive encouragement.

I am greatly honoured to express my endless gratitude to Dr. Ahmad Mahmound Jamal Hamad, Assistant Professor of Neurosurgery, Faculty of Medicine, Ain Shams University, for the time he spent and the effort he paid in helping me during this work.

Last, but not least, my thanks to all my colleagues and my family for their cooperative spirit and help.
