A study of Electrogastrography in Gallstone Disease

Thesis

Submitted for partial fulfillment of
Master Degree in Internal Medicine

By

Engy Yousry El-sayed Ashour
(M.B.B.Ch.)

Faculty of Medicine
Ain Shams University

Supervised By

Dr. Maha Abdel Aziz El-Touny
Ass. Professor of Internal Medicine
Ain Shams University

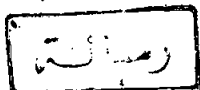

Dr. Ahmed Said Abdel-Halim
Lecturer of Internal medicine
Ain Shams University

Dr. Khaled Kamal Ahmed
Lecturer of Radiodiagnosis
Ain Shams University

Acknowledgment

First and foremost thanks to ALLAH, the most merciful.

I wish to express my deep appreciation and sincere gratitude to **Ass. Prof. Dr. Maha Abdel-Aziz El Touny** Ass. Prof. of Internal Medicine, Ain Shams University, for her close supervision, valuable instructions, continuous help patience and guidance. She has generously devoted much of her time for planning and supervision of this study. It was a great honour to me to work under her supervision.

My deepest gratitude to **Dr. Ahmed Said Abdel-Halim** Lecturer of Internal Medicine, Ain Shams University, for his encouragement and revision of the work.

I would like to thank **Dr. Khaled Kamal Ahmed** Lecturer of Radiodiagnosis, Ain Shams University, for his immense effort in the practical part of the work.

I wish to express my supreme gratitude to **Prof. Dr. Yehia Mohamed El shazly** Prof. of Internal Medicine and head of motility unit, Ain Shams University, for his great role in the practical part of the work.

I would like to thank **Dr. Nanees Adel Ahmed** Ass. Lecturer of internal medicine, Ain Shams university, for her immense effort in the practical part of the work.
