Acknowledgment

First and foremost thanks for Allah. I would like to thank Professor Doctor Abdelmohsen Arafa, Professor of orthopedic surgery, Ain Shams University, to all the help I got from him, and all the support.

Also I am most grateful to Professor Doctor Amr Khatry, Assistant Professor Doctor of orthopedic surgery, Ain Shams University Who without his help I would not have finished this essay.

And lastly all the thanks I can give for my family who gave me all the love and support I needed to finish this work. I would like to thank every one who in a way or another helped me to finish this work.
