## ACKNOWLEDGEMENT

First, I thank **ALLAH**, the most beneficent and merciful for the completion of this work.

I would like to express my deepest and utmost thanks to **Prof. Dr. Zenab El Gothamy**, Professor of Dermatology and Venereology, Ain-Shams University, for her sincere guidance, meticulous supervision and great help. I was honored to be her candidate and to be guided all through this work by her valuable advice.

I wish also to express my great gratitude and utmost appreciation to **Prof. Dr. Mohamed Gozzi**, Professor of Dermatology and Venereology, Ain-Shams University, for his valuable suggestions, helpful criticism and instructions during the progress of this work.

I am deeply indebted to **Dr. Salwa Abdel Zaher**, Assistant Professor of Internal Medicine, Ain-Shams University, for her kind supervision, constant support and generous giving throughout the whole work.

To all my professors and senior and junior colleagues, I extend my thanks for their guidance and help.

Special words of thanks and sincere gratitude to all members of my family, who always provide me with endless support and encouragement.
