بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

وَأَنْزَلَ اللَّهُ عَلَيْكَ الْكِتَابَ وَالْحِكْمَةَ وَعَلَّمَكَ
مَا لَمْ تَكُنْ تَعْلَمُ وَكَانَ فَضْلُ اللَّهِ عَلَيْكَ
عَظِيمًا

اللَّهُ
صَلَّى
الْعَظِيمُ

Acknowledgement

First and foremost thanks to Allah, the most kind & the most merciful.

I wish to express my deepest gratitude & appreciation to **Dr. Ahmed Nour El Dine Hashad**, *Assistant Professor of Obstetrics & Gynecology, Faculty of Medicine, Ain Shams University* whom his supervision was real honour & for accepting me to conduct his work.

My deepest thanks for **Dr. Amr Abdel-Aziz Nadim**, *Assistant Professor of Obstetrics & Gynecology, Faculty of Medicine, Ain Shams University* for his constant valuable direction, which I received from his guidance throughout this work.

I am also deeply grateful to **Dr. Mona Zaki** "*Assistant Professor of Clinical Pathology, Faculty of Medicine, Ain Shams University*" for her help in performing this work especially in doing the laboratory investigations.

Abeer Sayed Ahmed Abo Kamar (M.B.B.Ch.)
