ACKNOWLEDGEMENT

I wish to express my sincere gratitude and thanks to Prof. Dr. *Ibrahim Khalil Ali*, Prof. of Clinical Pathology, Ain Shams University for his constructive supervision, guidance and honest help.

I am deeply thankful to Prof. Dr. *Nevine Nabil Kassem*, Prof. of Clinical Pathology, Ain Shams University, for her generous advice, and the precious time she gave to me to accomplish this work.

I am also greatly honored to express my gratitude and respect to Prof. Dr. *Malaka Zakaria Amer*, Prof. of Clinical Pathology, Ain Shams University for her real help, valuable guidance and wise advice.

My Thanks and appreciation to Dr. *Fatma El Said Metwaly*, assis.Prof. Of Clinical Pathology, Ain Shams University for the great effort and remarkable patience and cooperation.

My special gratitude to Dr. *Mervat Ismail El Borhamy*, assis.Prof. of Clinical Pathology, Ain Shams University for her kind care and help all the time from the start of this work.

Greatfull acknowledgment has to be payed to my professors Dr. Magda Rakha and Dr. Moshira Ismail and my colleagues in Tuberculosis department in Central Health Laboratory.

Amel Attia
