*First and last of all thanks to Allah.*

I would like to present my sincere thanks and appreciation to **Prof. Dr. Sawsan Abdel Fattah**, Professor & Head of Forensic Medicine and Clinical Toxicology Department, for her continuous support, constant encouragement, unlimited help and fruitful guidance.

I would like to express my deepest gratitude and appreciation to **Prof. Dr. Sanaa Ibrahim Belal** who prepared the basic steps of this work and did not hesitate to offer any help and valuable instruction. I am deeply indebted to her for kind guidance, sincere directions and close supervision. Without her care, this work could never be accomplished.

I am deeply grateful for **Prof. Dr. Khadiga Abdel Fattah Mostafa** for her kind supervision, continuous help, valuable guidance and great support and encouragement throughout this work.

My thanks are also extended to **Dr. Maha Mahimoud Samy** for her constructive advice and valuable time.

I am also grateful to **Prof. Dr. Assem-Badawy**, Director of the Poison Control Center, Ain Shams University Hospitals, who kindly gave me access to the patients in the center and was very helpful and encouraging during the course of this work. The staff members of the center were very cooperative and I am thankful to them all.

I am deeply indebted to all my professors and colleagues in the **Forensic Medicine and Clinical Toxicology Department, Ain Shams Faculty Of Medicine**, for their sincere encouragement.

Finally, I wish to thank all members of my family for their real help and reassuring throughout my whole life.
