Acknowledgement

First, thanks are all due to **God** for blessing this work until it has reached its end, as a part of his generous help throughout my life.

I would like to express my deepest gratitude to **Prof. Dr. Rakia Amin Sheir**, Professor of Anesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for her great support and continuous encouragement throughout this whole work. It is a great honor to work under her guidance and supervision.

I am truly grateful to **Assist. Prof. Dr. Alaa Eid Mohamed**, Assistant Professor of Anesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for his close supervision, sincere help, valuable suggestions and continuous encouragement throughout the whole work.

My deepest appreciation and grateful thanks are due to **Dr. Inas Faten Aly Rached**, Lecturer of Anesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for her kind advice and her great efforts throughout this work.

Maged Saad
