ACKNOWLEDGMENTS

First of all thanks to ALLAH

It is of great honor for me to express my profound and great appreciation to Prof. Dr. Wagdy Talaat Youssef, Professor of pathology, faculty of medicine, Suez Canal University for the great help and sincere effort in the initiation and supervision of this work.

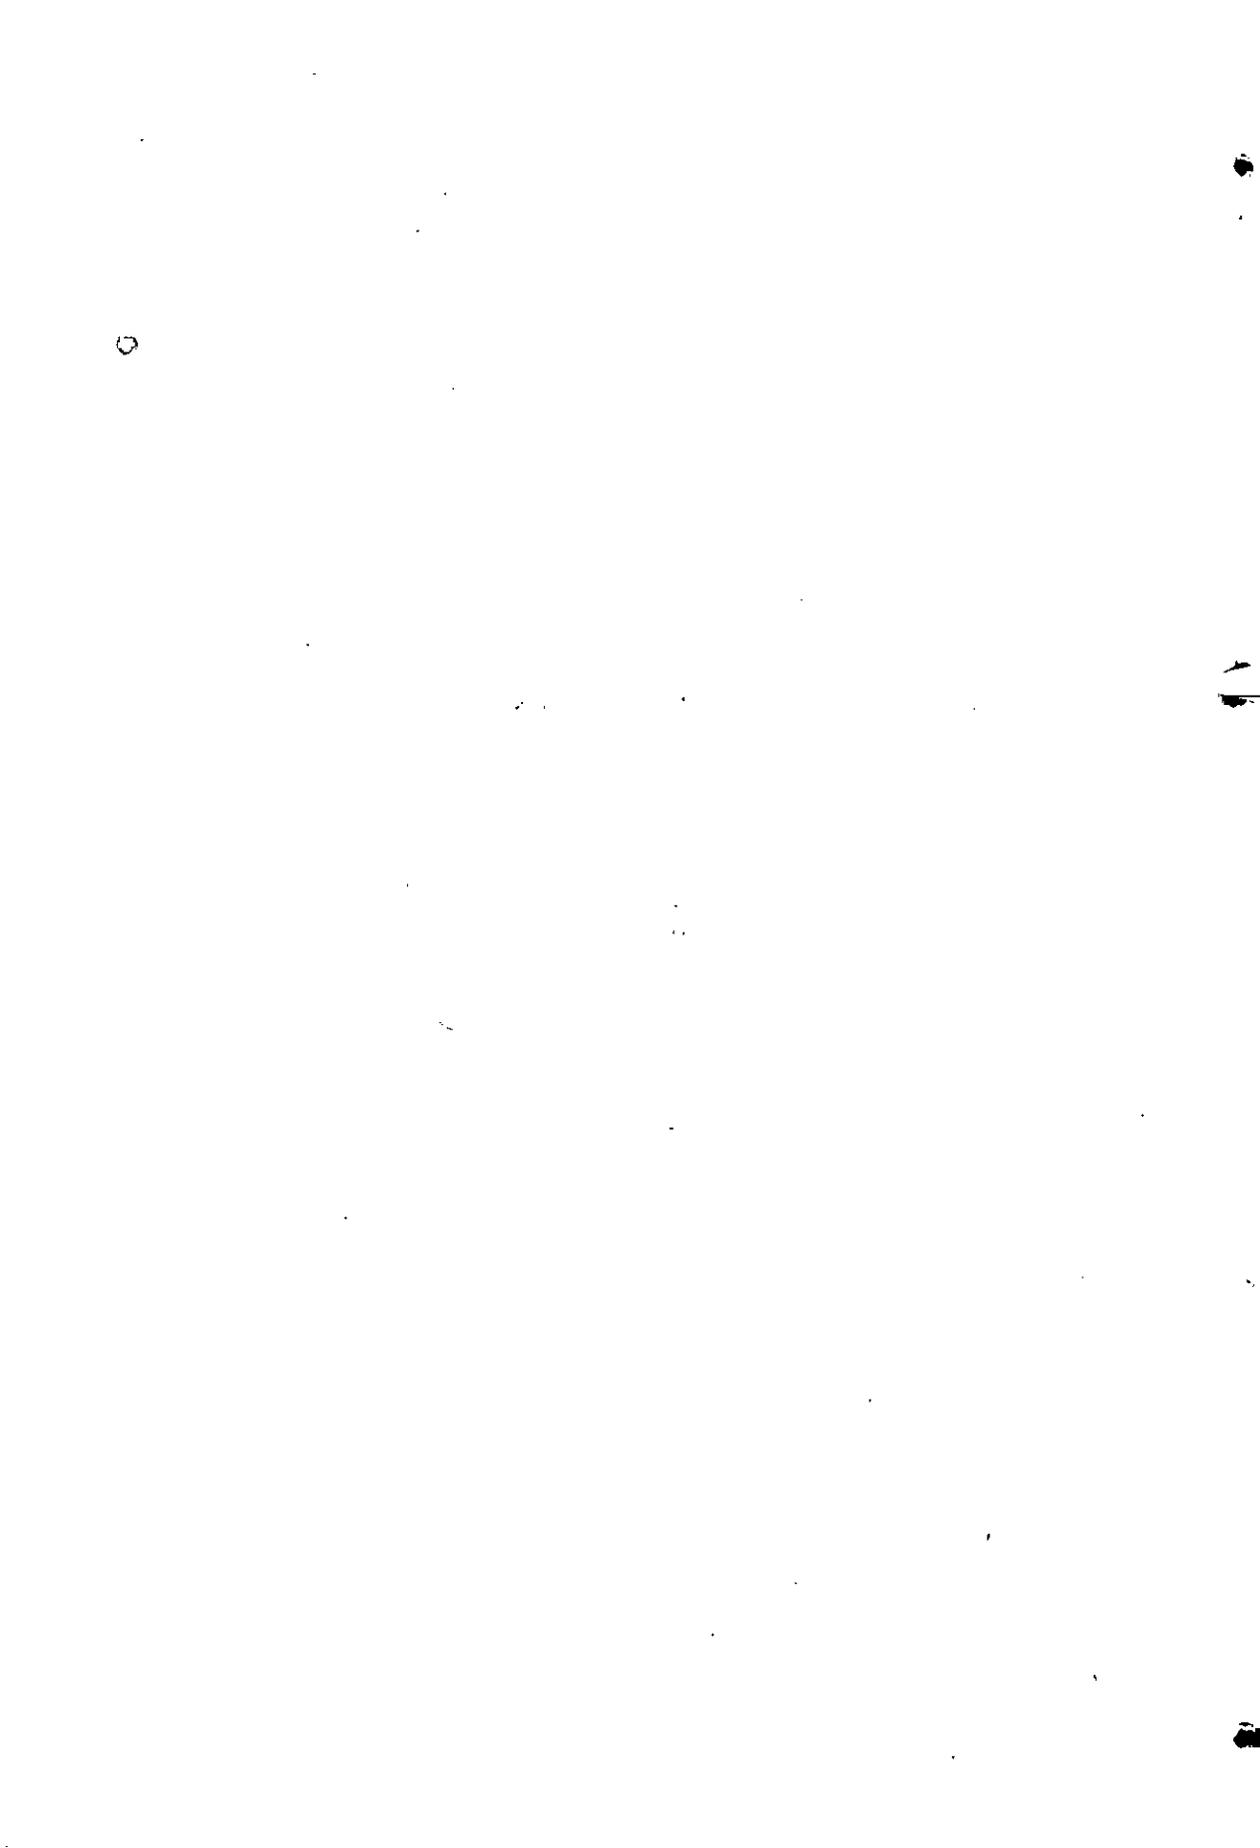

I would like to express my deepest gratitude to Dr. Amr Abdel Aziz M. Kamel Associate professor of pathology, faculty of medicine, Suez Canal University for his great effort, expert advice, and close observation were the major factors behind completion of this work.

My deepest thanks to Dr. Heba Mohamed Wagih, Lecturer of pathology, faculty of medicine, Suez Canal University for her great advice and continuous encouragement throughout this work.

I am deeply thankful to Prof. Dr. Makram Mohamed Hussien Hammam, Professor and head of the department of pathology, faculty of medicine, Suez Canal University for his great guidance, sincere help in the completion of this work .

Special thanks to Prof. Dr. Elia Anis, Professor of pathology, faculty of medicine, Cairo University for his great help and great materials provided me throughout this work.

My thanks also extend to all staff members and my colleagues in the department of pathology, faculty of medicine, Suez Canal University for their kind cooperation and help.

List of abbreviations

AAH	Atypical adenomatous hyperplasia
BPH	Benign prostatic hyperplasia
CZ	Central zone
DAB	Diamminobezidine
HGPIN	High grade prostatic intraepithelial neoplasia
PBS	Phosphate buffered saline
PCNA	Proliferating cell nuclear antigen
PIN	Prostatic intraepithelial neoplasia
PSA	Prostatic specific antigen
RP	Radical prostatectomy
SD	Standard deviation
TURP	Transurethral resection of prostate
TRUS	Transrectal ultrasonography
TZ	Transition zone
