Acknowledgment

*It is worthful to thank **Allah** for the help and the countless graces offered me.*

All my whole hearted appreciation to my parents, that without their steady support and heart wish I could have not being in success.

*I have the honour to express my sincere gratitude and utmost appreciation to **Prof. Dr. Maged Zayed**, Professor of General Surgery, Faculty of Medicine, Ain Shams University, for his ever lasting support and enthusiastic encouragement. He was the light when I needed knowledge, the professor when I needed guidance and the father when I needed advice.*

*I have no suitable words to express my whole hearted appreciation, indebtedness and respect to **Asst. Prof. Dr. Ashraf Al Zoghby**, Assistant Prof. of General Surgery, Faculty of Medicine, Ain Shams University, for his continuous encouragement and enthusiastic support throughout the entire work.*

*I owe especial thanks and inexpressible appreciation to **Dr. Mohammed Helmy**, Lecturer of General Surgery, Faculty of Medicine, Ain Shams University, for his continuous guidance and encouragement.*

*I wish to give my great thanks to **Dr. Aser Mustafa and Dr. Yasser Abd El-Aal**, for his inextinguishable support and creative criticism during this work.*

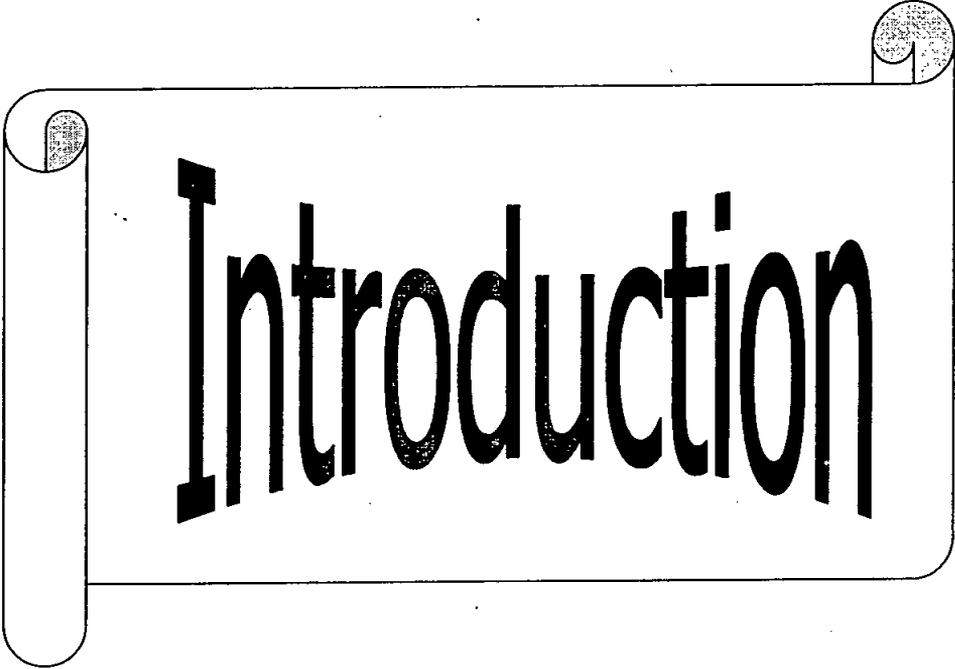

It is worthful to thank my patients, that without their great co-operation could this thesis have not become reality.

A lot of inexpressible thanks to my friends and colleagues for their support and encouragement.

Finally, a last special word of tribute to my mother for her sincere care and true support throughout my whole life to whom I dedicate this work.

Ahmed Helmy
