ACKNOWLEDGEMENTS

I would like to express my deepest gratitude to **Prof. Dr. El-Sayed Shokr** and **Prof. Dr. Mohamed Ismail Salwau,** Agronomy Department, Faculty of Agriculture Moshtohor , Zagazig University (Benha Branch) for suggesting the problem and their valuable guidance and continuos assistance during the course of this study and preparing the manuscript.

Deepest gratitude to **Prof. Dr. Mohamed Nour El-Din Sherief** Prof. of Agron. and Head of Crop Intensification Res. Sec. Crops Res. Instit., Agric., Res. Center for his valuable supervision, valuable advice continuous help during analysing the data and writing manuscript.

I am sincerely indebted to **Prof. Dr. Salem K. Badr** Prof. of Agron., for reading parts of the manuscript and for critical comments. I also thank all my colleagues and friends at Crop Intensification Res. Sec. Crops Res. Institute, Agric. Res. Center.
