I dedicate this thesis to the memory of my parents, my son,
my sisters and my husband.

Acknowledgement

I would like to express my great thanks to Prof. Dr. Hisham Sameh for his continuous support and unique vision which have enriched my thoughts and ideas and given me a lot of freedom to introduce my vision.

Great thanks to Prof. Dr. Moemen Afify who helped me with his knowledge, practical experience and logical discussions, as well as providing me with invaluable materials, books and researches.

I would like to express my appreciation and Great thanks to Prof. Dr. Medhat Dorrah for his support, help and kindness.

I would like to express my sincerest thanks to Prof. Dr Kalid Dwidar for his help.
