ACKNOWLEDGMENT

*First of all, ultimate thanks are due to Allah,
who without his aid this work could not be done*

I wish to express my deep gratitude and sincere appreciation to *Dr. I.I. El-Shawaf*, Professor of Genetics, Dean of Fac. of Agric., Moshtohor, Zagazig Univ., for his valuable guidance, supervision, diligent discussion and constructive criticism throughout the course of this study and during writing the manuscript.

I am also indebted to *Dr. A.M. Hassan*, Professor of Genetics, Vice Dean of Fac. of Agric., Moshtohor, Zagazig Univ., for suggesting the problem, supervision and help during this work.

I wish to express my deep gratitude and thanks to *Dr. Samia A. Mahmoud*, Head of Research, Food Legumes Section, ARC, Giza for her supervision, advice and encouragement during this study.

Deep and grateful acknowledgment is also due to the members of Food Legumes Section, ARC, Giza, especially *Prof. Dr. M.Z. Hassan*, Deputy Director of Field Crops Research Institute, ARC, and *Prof. Dr. A.H. Abd EL-Latif*, Head of Legumes Crops Research Program for their help, encouragement and advice during this study.

My deep appreciation and thanks to *Prof. Dr. Safiea. Tammam*, Head of Research, Food Legumes Section, Giza, For her great help and Sincere advice during this study.

Thanks are also due to the staff members of Food Legumes Dept. at Sakha Agricultural Research Station, especially *Prof. Dr. M.A. EL- Borai*, Head of Research and *Prof. Dr. M.I. Amer*, Head of Research for their help, encouragement and advice during this work.

Thanks are also due to the members of the Department of Genetics, Fac. of Agric. at Moshtohor, Zagazig Univ., especially *Prof. Dr. M. Serag El-Din Abd EL-Sabour*, Prof. and Head of Genetics Dept., *Dr. Makhoulf Bekhit*, Assoc. Prof. of Genetics and *Dr. Mohamed Refaat*, Lecturer of Genetics, for their help and sincere cooperation.

Thanks are also due to Academy of Scientific Research for their help and sincere cooperation.

Finally, thanks due to my family especially my wife, also my daughters, Shaimaa, Maii and Sarah and my son Reda for their continuous encouragement and inspiration offered to me.
