Acknowledgement

Praise be to Allah, the Merciful, the Compassionate. Without His guidance and aid, this work could not have been completed.

I wish to express my deepest gratitude to Prof. Dr. Amal El-Beshlawy, Professor of Pediatrics, Faculty of Medicine, Cairo University. Her instructive guidance, continuous support, enthusiastic encouragement and scientific supervision and correction were beyond words can convey.

I am also deeply grateful to Prof. Dr. Amal Mostafa, Assistant Professor of Pediatrics, Faculty of Medicine, Cairo University. Her constant help, precious advice, constructive criticism and excellent supervision, has enabled this work to reach its final form.

Endless thanks goes to Dr. Hebatullha AbuHussin, Lecturer of Pediatrics, Faculty of Medicine, Cairo University. I will always be grateful for the time and tremendous effort she has put into this study.

Special thanks to my family, my husband and my friends, for their prayers, support and continuous encouragement.
