ACKNOWLEDGEMENT

First of all, all gratitude for "GOD" who guided and aided me to put together this essay.

I would like to express my deepest gratitude to PROF. DR. YAHIA A HAMIMY for his wise guidance throughout this work.

I am also greatly indebt to DR. MERVAT M MARZOUK for her continuous help and advice and her kind support.

I would like also to express my deepest thanks to DR. GEHAN ABDELHALEEM A for her kind care and fruitful ideas.

Last I wish to thank all my family for their support especially my mother and to soul of my father.

M Ibrahim Sayed Elahl

Cairo, 2002

CONTENTS

▪ Introduction	I
▪ Anatomy of the vertebral column	3
▪ Scoliosis Causes, pathophysiology and surgical interference)	21
▪ Anesthetic management	39
▪ Postoperative care	81
▪ Summary	93
▪ References	95
▪ Arabic summary
