بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

"قَالُوا سُبْحَانَكَ لَا عِلْمَ لَنَا إِلَّا
مَا عَلَّمْتَنَا إِنَّكَ أَنْتَ الْعَلِيمُ
الْحَكِيمُ"

صدق الله العظيم

Acknowledgement

*I find no words by which I can express my extreme thanks appreciation and profound gratitude to our professor **Dr. Salwa Abd EL Zaher Mabrouk**, who offered me great advice and guidance, kind encouragement and generous help during supervising this study.*

*I wish to record my great indebtedness and gratitude to my supervisor **Dr. Mohamed Abd Al Rahman El Shayeb**.*

For his kind supervision and continous support throughout the course of this work.

*I woud also like to express may extreme thanks to **Dr. Mohamed Ali Mahamoud Farrag** who offered me much of his time, experience and support for providing the good advice, suggestion and planning of this work.*

List of Contents

	Page
• Introduction & Aim of the work	1
• Review of literature	
➤ Bronchial Asthma	3
➤ Cytokines	47
➤ Interleukin-12	63
• Subjects and Methods	71
• Results	80
• Discussion	102
• Summary and Conclusion	108
• Recommendation	112
• References	113
• Arabic Summary	

List of Tables

Tables	Page
Table (1) : Eosinophil granules	22
Table (2) : Cytokines and allergy	62
Table (3) : Clinical data of patients	84
Table (4) : Clinical data of controls	85
Table (5) : Chemical laboratory data of patients	86
Table (6) : Chemical laboratory data of controls	87
Table (7) : Eosinophilic count % of patients	88
Table (8) : Eosinophilic count % of controls	88
Table (9) : Serum IL-4 of patients	89
Table (10) : Serum IL-4 of controls	89
Table (11) : BAL IL-4 of patients	90
Table (12) : BAL IL-4 of controls	90
Table (13) : comparison between the clinical data of patients subgroups and controls	91
Table (14) : comparison between the mean eosinophilic count % in patients subgroups and controls	92
Table (15) : Mean of serum IL-4 in patients group and controls	93
Table (16) : Mean of BAL IL-4 in patients group and controls	94
Table (17) : Serum IL-12 of patients	95
Table (18) : Serum IL-12 of controls	95
Table (19) : BAL IL-12 of patients	96

Tables	Page
Table (20) : BAL IL-12 of controls	96
Table (21) : Mean of serum IL-12 in patients groups and controls	97
Table (22) : Mean of BAL IL-12 in patients groups and controls	98
Table (23) : The mean and ratio of serum IL-12 and IL-4 in patients subgroups and controls	99
Table (24) : The mean and ratio of BAL IL-12 and IL-4 in patients subgroups and controls	100
Table (25) : Relation between the number of patients subgroups of serum IL-4 and their percentage	101
Table (26) : Relation between the number of patients subgroups of BAL IL-4 and their percentage	101
Table (27) : Relation between the number of patients subgroups of serum IL-12 and their percentage	101
Table (28) : Relation between the number of patients subgroups of BAL IL-12 and their percentage	101
