Acknowledgement

*I would like to express sincere thanks to **prof. Dr. Mervat M. El Enany**, professor of Organic Chemistry, Faculty of Pharmacy, Cairo University, for her valuable advises and continuous encouragement during this Work.*

*I wish to express my hearty appreciation and feeling of gratitude to **prof. Dr. Galal E. H. Elgemeie** professor of Organic Chemistry and vice dean for higher studies and research, Faculty of Science, Helwan University who suggested the idea of this research, for his great efforts in supervision, sincere encouragement, constructive criticism and his unlimited continual help that he kindly offered throughout the development of this work.*

*A sense appreciation is due to **Prof. Dr. Mohamed Mohsen Ismail** professor of Organic Chemistry, Faculty of Pharmacy, Cairo University, for his kind supervision and helpful suggestions.*

*I am particularly indebted and grateful to **prof. Dr. Ahmed H. H. El ghandour**, professor of Organic Chemistry, Vice Dean of student affaires, Faculty of Science, Cairo University [Bani Suef Branch], for his valuable advises, kind guidance and his great efforts to resolve most problems during this work.*

My gratitude is also extended to all members of Chemistry Department, Faculty of Science, Cairo University [Beni Suef Branch] for their continuous help, support and encouragement.
