ACKNOWLEDGEMENT

Thanks first and last to **ALLAH**, as we owe him for his great care, support and guidance in every step in our life, without his blessing this review would have never been crowned by success or brought to light.

I would like to express my thanks and deepest gratitude to **Dr. Osama Haris A. EL-Latif**, Assistant professor of Radiodiagnosis, Faculty of Medicine, Assiut University for his kind support throughout this work through instructions, wise advice, criticism and meticulous supervision.

I would like to express my thanks and deepest gratitude to **Dr. Mostafa Thabet**, Assistant professor of Radiodiagnosis, Faculty of Medicine, Assiut University for his great help, assurance, support and his ideas to produce this work in a good picture.

I would like to express my deepest thanks to **Dr. Hisham Mokhtar**, Professor of Urology, Faculty of Medicine, Assiut University, for his continuous supervision and greatest help.

All my greatfull feelings to the soul of the still living **Prof Dr. Yahia A. EL-Aziz**, The god father of this work.

Many thank to all staff members, colleagues, employees and workers of the Radiodiagnosis Department, Faculty of Medicine, Assiut University, for their great help and encouragement.
