ACKNOWLEDGMENT

Acknowledgment

In an actual fact, the prayerful thanks at first to our merciful ALLAH, who give me every things I have.

I would like to express the sincerest and deepest gratitude to *Prof. Dr. Ali Abed El Mottaleb*, Prof. of General Surgery, Faculty of Medicine, Assiut University, for his constant supervision, patience and continuos encouragement throughout this work.

All of my feelings of gratitude and warm thanks to Prof. Dr. *Ahmed I. El Ghriany*, Prof. of Neurosurgery, Faculty of Medicine, Assiut University. His kind direction and support are important assets that helped me through my course of study and scientific research. He exerted a real lot of effort and careful supervision to support and direct me to perfect this thesis in a best form.

Special thanks to all stuff members in my department for their support and co-operation.

Lastly, my thanks is sent to every hand that extended to help me to allow the fulfillment of this work.

Mohamed Khallaf
