# ACKNOWLEDGEMENT

I would like to express my utmost and sincere gratitude and cordial appreciation to **Prof. Dr. Mohamed Aly Tohamy**, Professor of Internal Medicine, Assiut University, for his continuous encouragement and kind help.

I am greatly honored to express my deepest gratitude and thanks to **Dr. Fatema Abu-Baker Abdul-Moez**, Assistant professor of Internal Medicine, Assiut University, for suggesting the research topic, her constructive supervision, excellent guidance, continuous helpful and unlimited encouragement throughout this work.

My deep thanks are due to **Dr. Wafaa Mohamed Ahmed**, Assistant professor of Neuropsychiatry, Assiut University, for her generous assistance, and valuable guidance and unfailing efforts during the whole period of this study.

My best thanks to **Dr. Sohier Mohamed Ahmed** Assistant professor of Clinical Pathology, Faculty of Medicine, Assiut University, for her help in completing the laboratory work, valuable advice and continuous guidance through this work.

I would like to express my extreme thanks to every member of Internal Medicine and Neuropsychiatry Departments for helping me to complete this work.

I wish to extend my thanks to all patients included in my study for their cooperation.

*Abeer Saad*
