TO MY FAMILY

Acknowledgments

ACKNOWLEDGMENTS

First and foremost, thanks to God for all gifts give me.

I am especially gratefully to Professor **Dr.Mohamed Essam EL-Din Osman**, Professor of Urology Department, Faculty of Medicine, Assiut University for his sincere supervision, constant guidance, constructive criticism, and endless support.

I wish to express my deep appreciation to Professor **Dr.Yousef Mohamed Badran**, Professor of Diagnostic Radiology Department, Faculty of Medicine, Assiut University for his generous advice, guidance, great help, constant encouragement during this work.

I am deeply indebted and thankful to **Dr.Hassan Abd EL-Latif Aboul-Ela**, Lecturer of Urology Department, Faculty of Medicine, Assiut University, for his keen help, overwhelming kindness, valuable remarks, and marvellous support during the supervision of this thesis.

I would like to extend my great thanks and feelings of gratitude to all staff members of Urology and Diagnostic Radiology Departments and my colleagues for their support and helpful participation.

Hazem Mohamed Osman
