Acknowledgement

Thanks for God for giving me the power and strength to Carry out this work.

Words stand short when they come to express my gratefulness to my supervisors.

I wish to express my sincere gratitude and thanks to Prof. Dr. Fauzia Abdel Wahab, Professor of Anesthesia, Faculty of Medicine, Cairo University, for her remarkable effort, considerable help and continuous guidance which were the major factors behind the completion of this work. My deep gratitude goes to her faithful supervision, great cooperation and her meticulous revision of this work.

I am deeply indebted to Prof. Dr. Ahmed Helmy, Professor of Anaesthesia, Faculty of Medicine, Cairo University for his extreme patience, keen supervision. He generously offered me a great help through his experience, support and encouragement.

My deep gratitude goes for Dr. Sahar Badawy, Lecturer of Anaesthesia, Faculty of Medicine, Cairo University, for her constant support, valuable advice and remarks that have been of utmost help
