ACKNOWLEDGEMENT

First and foremost, thanks are due to ALLAH.

It is a great honor for me to express my deepest gratitude and sincere appreciation to Prof. Dr. Bothina L. Mahmoud, Professor and Head of Histology Department, Faculty of Medicine, Menoufiya University, for expert guidance, continuous keen supervision, valuable advice and generous encouragement and support offered to me throughout this work. Without her great effort, time given and scientific experience, this work wouldn't come out.

I would like to express my deep thanks and sincere feelings of gratitude to my teacher and Professor Dr. Fouad Kamal Mansour, Professor and head of Anatomy Department, Faculty of Medicine Menoufiya University, for expert guidance, excellent cooperation, unlimited help and continuous, encouragement through out this work.

My greatful thanks and sincere gratitude are expressed to Dr. Abd El-Monem El-Barbary, Professor of Anatomy, Faculty of Medicine, Menoufiya University, for his outmost help and continuous encouragement.

I wish to express my deep thanks and appreciation to Dr. Nariman Abdel Rahman Abdel Fattah, Lecturer of Anatomy, Faculty of Medicine, Menoufiya University for valuable efforts, continuous help and guidance.

Thanks are extended to every one helped me in this work.
