*First and last of all thanks to Allah.*

*I would like to express my deepest gratitude to my Professor Dr. Mouchira Fayek Helmy for her kind patience and supervision, wise and mastery teaching. Without her care, this work could never be within hands. Her vast knowledge and experience has always been in display.*

*I am sincerely grateful for Dr. Amany Tharwat Abdel Rahman for her continuous help, valuable advice and criticism.*

*I wish to thank Professor Dr. Mohammed Salah El-Din Abdel Baky for his kind supervision and valuable help and criticism. My deepest thanks and appreciation to all the staff members of the Rheumatology Unit, Ain Shams University Hospital, for giving me a lot of their time and support.*

*I want also to thank my husband, Dr. Tamer Saeed, and all members of my family especially my parents for their sincere help and encouragement. Finally, I am deeply indebted to all my professors and colleagues in the Microbiology and Immunology Department, Ain Shams Faculty Of Medicine, for their encouragement.*
