Hyperbaric Oxygen in Infectious Diseases

Essay

Submitted for partial fulfillment of
Master Degree in Clinical and Chemical Pathology

Presented by

Rasha Rashad Mohamed

M.B.B.CH.

Under Supervision of

DR. Ibrahim Khalil Ali

Professor of Clinical Pathology

Head Of Bacteriology Department

Faculty of Medicine – Ain Shams University

DR. Nevine Nabil Kassem

Assistant Professor of Clinical Pathology

Faculty of Medicine- Ain Shams University

DR. Omnia Abou El-Makarem Shaker

Assistant Professor of Clinical Pathology

Faculty of Medicine – Ain Shams University

*Faculty of Medicine
Ain Shams University*

2000

Acknowledgement

First, I thank "God" for granting me the power to proceed and to accomplish this essay.

I would like to express my endless gratitude and appreciation to Prof. Dr. Ibrahim Khalil Ali, Professor of Clinical and Chemical Pathology, Ain Shams University, for giving me the honor of working under his supervision and for providing me with a lot of encouragement and support throughout this essay.

Indeed, words do fail me when I come to express my sincere appreciation to Assistant Prof. Dr. Nevine Nabil Kassem, Assistant Professor of Clinical and Chemical Pathology, Ain Shams University, who was always there to solve all my problems by giving valuable remarks throughout this work.

Also, I would like to express my gratitude and thanks to Dr. Omnia Abou El-Makarem Shaker, Assistant Professor of Clinical and Chemical Pathology, Ain Shams University, for her effort to get best out of this work.

Contents
