Acknowledgment

I am deeply thankful to Allah by the grace of whom this work was possible.

I would like to express my deepest gratitude and appreciation to Prof. Dr./Soheir Sayed Abou-El-Ella, Professor of pediatrics, faculty of Medicine, Minoufiya university. For her kind guidance, continuous care and encouragement and sincere efforts by which this work to be finally achieved.

My appreciation, thanks and gratitude to Prof. Dr./ Laila Mohmoud Montaser, Professor & Head of clinical pathology dept., faculty of Medicine, Minoufiya university. For her kind supervision, generous help and continuous guidance.

I like also to thank Prof.Dr/ Ahmed Thabet Mahmoud, Assistant Professor of pediatrics, faculty of Medicine, Minoufiya university. For his kind supervision and great help.

I would like to express my great thanks to all members of pediatrics Department of Minoufiya university for there help and great effort to complete this work,

I would like to thank Menouf Chest Hospital for their great help in practical part of this work,

Finally, I would like to share my happiness with all children because my love to them was my motive to work and study.

E.M.Shaheen
