ACKNOWLEDGEMENT

ACKNOWLEDGEMENT

First of all I would like to thank Allah.

I would like to express my deep gratitude to **Prof. Hamdy Abou El Fotouh**, Professor of Prosthodontics, Faculty of Oral and Dental Medicine, Cairo University, for his continuous support, valuable supervision and advice throughout the whole work.

I would like to sincerely express my gratitude appreciation and thanks to **Assoc. Prof. Amal Kaddah**, Associate Professor of Prosthodontics, Faculty of Oral and Dental Medicine, Cairo University, for the time she devoted and guiding me in a very friendly manner to complete this work.

Many thanks are due to **Prof. Essam El Ghamarawy**, Professor of Prosthodontics, Faculty of Oral and Dental Medicine, Cairo University, for his support, valuable advice, encouragement and for his effort all over the study, I thank him deeply.

I would like to extend my thanks to all members of prosthodontic department, especially to **Prof. Khaled Zekry**, Professor of Prosthodontics, Faculty of Oral and Dental Medicine, Cairo University for his valuable advice and help in laboratory work of this study.

Last but not least, I greatly thank my husband for his love and contiguous support.
