Acknowledgement

ACKNOWLEDGEMENT

*I do thank Allah for all gifts he gave me *

The researcher would like to express his deepest thanks and sincere gratitude to Prof. Dr. Abd El-Badih A. G. Ghattas, Chairman of Chemistry Dept., for suggesting the topic of investigation, continuous supervision, valuable discussion, and criticism through this work.

Sincere thanks are directed to Dr. Hassan M. Mostafa, and Dr. Omayma A. Abd Allah, Lecturers of organic chemistry; Chemistry Dept. Faculty of science, Sohag; for their helpful pieces of advise, supervision, and kind help through this work. Thanks are also expressed to Dr. Mohamed Said Youssif, Lecturer, Botany Dept., Faculty of science, Sohag; for antifungal and antibacterial screening of the synthesized compounds.

It is a great pleasure to express my deepest thanks and gratefulness to Prof. Dr. A. K. El-Shafei, Dean of Faculty of science at Sohag, for continuous encouragement and facilities offered through this work.

Finally, the researcher would like to express his deep thanks to all the staff members and colleagues in chemistry Department, Faculty of science at Sohag for their kind cooperation.

A. A. Amer
