## **ACKNOWLEDGMENT**

First of all, to thanks to "God" who gave me the ability to finish this work.

I would like to express my sincere gratitude and deepest thanks to **Professor Dr. Ahmed Mohamed Ammar**, Professor of Microbiology, Faculty of Veterinary Medicine, Zagazig University, for his valuable supervision, sincere help and encouragement. He gave me his experience and valuable time.

It is great pleasure to me to record my indebtedness to Professor **Dr. Ali Abd El-Rasheed Salama**, Professor of Microbiology, Faculty of Veterinary Medicine, and Vice Dean for Post Graduate and Research affairs, Zagazig University, for his great help and continuous support for this work.

It is difficult to translate my deep feeling toward **Dr. Laila M. El-Shabiny**, Chief Researcher and Head of Mycoplasma Department, Animal Health Research Institute, Dokki for her valuable help, excellent facilities and continuous encouragement. My great appreciation and warm thanks to my Professor **Dr. Mohamed El-Bakry Abd El-Reheem Ismael**, Professor of Microbiology, and Head of Virology Department, Faculty of Veterinary Medicine, Zagazig University, for his kind help and scientific support.

I am greatly indebted to Professor **Dr. Abd El-Menem Ahmed Ali** Professor of Pathology, Faculty of Veterinary Medicine, Zagazig University for his valuable help and scientific support.

I wish to express the sincerest gratitude to **Dr. Samir R. El-Gmiej**, Senior Researcher and Director of Monsoura Vet. Laboratory Animal health research institute, for his continuous help, interest and encouragement.

I am grateful and thanks to all Staff Member, **El-Sayed, E.M.** Sinor Researcher of pharmacology and **El-Gaml, A.M.**, Sinior Researcher, **Dr. Sabry El-Dosoky**, **Dr. Shaker Hassan Ahmed**, **Dr. Hamed Abd El-Migeed** and Workers in El-Mansoura Vet. Lab. for this kind helps and scientific support.
