ACKNOWLEDGEMENT

ACKNOWLEDGMENT

First, foremost and ever most, all gratitude and thanks are to ALLAH, the compassionate for all the countless gifts have been offered.

I would like to express my sincere gratitude, deepest acknowledgment to my **Prof. Dr./ Ahmed Tony Zayan**, Professor of General Surgery, Faculty of Medicine, Assiut University. I sincerely feel indept for his giving me a lot of time, his encouragement and for continuous advice, support and guidance throughout this work.

I would also like to express my deepest gratitude and appreciation to my **Dr./ Salah El-Dein Gaber Shaltout**, Assistant Professor of Maxillofacial Surgery, Faculty of Medicine, Assuit University, who gave me the subject and did the surgical technique and reviewed my work at every stage of its development and generously offered his cooperation, encouragement, advice and suggestions for improvement and delivery of the thesis.

I would like to express my sincere gratitude to **Prof. Dr./ Donald Fergsuon**, Professor of Orthodontics and Director of Advanced Dental Education School, Saint Louis University, USA. For his sincere directions, keen supervision, outstanding help and supporting advice.

Also I would like to express deep and extreme appreciation to **Dr./ Ashraf Attia**, Doctor of Orthodontics, El-Azhar University, Cairo, for his great help and support. He spent effort to complete my work.

Finally, I would like to express my sincerest and respectful gratitude to the staff members of the department for their fatherly attitude and experienced advice.
