ACKNOWLEDGEMENT

All praises are due to **ALLAH**, the most merciful, the most gracious, who gave me everything I have and without his mercy and guidance, this work couldn't be completed.

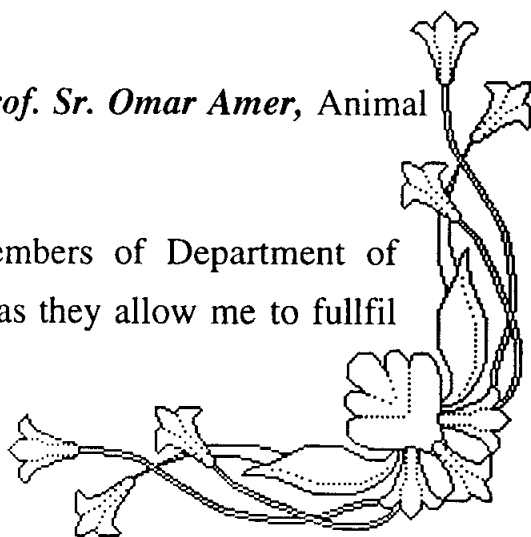

I express my deep sense of sincere gratitude to my supervisor **Dr. El-Abas El-Naggar**, Professor of Medicine, Faculty of Veterinary Medicine, Zagazig University for his great help and guidance.

I'm deeply thankful to Assistant Professor of Medicine, Faculty of Veterinary Medicine, Zagazig University, **Prof. Dr. Abd El-Khalek El-Sheikh**, for his supervision, efficient help and valuable advise throughout the whole course of this work.

Also, the thanks extended to **Dr. Ahmed Ragab**, Animal Health Research Institute, for his supply of chemicals needed for continuation the work.

Also, the thanks extended to **Ass. Prof. Sr. Omar Amer**, Animal parasitology department for his help.

Also, the best thanks to Staff members of Department of Animal Medicine of Zagazig University as they allow me to fullfil this work.
