ACKNOWLEDGMENTS

ACKNOWLEDGEMENT

First and foremost, I feel always indebted to GOD, the Most
Kind and the Most Merciful

It is a pleasure to express my everlasting gratitude to **Professor Dr. Mohammed Husein Makarem**, Professor of Obstetrics and Gynaecology, Faculty of Medicine, Assiut University, for his kind supervision and precious advice. He gave much of his time and effort for the completion of this study.

I will always remain greatly indebted to **Dr. Ahmed Mohammed Ahmed Makhlouf**, Assistant Professor of Obstetrics and Gynaecology, Faculty of Medicine, Assiut University, for his indispensable help and meticulous supervision and guidance.

I also wish my profound gratitude to **Dr. Tarek Khalaf Al-Hussaini**, Assistant Professor of Obstetrics and Gynaecology, Faculty of Medicine, Assiut University, for his great help and purposeful instructions in preparing this thesis.

And finally many thanks are due to the staff members and my colleagues in the department of Obstetrics and Gynecology, Faculty of Medicine, Assiut University for the help they offered and the support they have given to me.

Dina Habib
