ACKNOWLEDGMENT

ACKNOWLEDGMENT

I prostrate thankful to God for helping me to complete this work

All words are not enough to express my deepest gratitude to Prof. Dr. I.A.M. Eissa, Professor of fish diseases and management, Faculty of Veterinary Medicine, Suez Canal University for his kind supervision and continuous encouragement during the course of this study. To whom I have being indebted.

All words are unable to express my deepest gratitude and thanks to Ass. Prof. Dr. A.F.H Badran, Associated Professor of fish diseases and management, Faculty of Veterinary Medicine, Suez Canal University for his supervision, guidance and helping during this study.

Also, I would like to express my sincere thanks to Dr. S.E.M. Aly, lecturer of pathology, Faculty of Veterinary Medicine, Suez Canal University for helping in histopathology.
