Acknowledgment

I would like to express my deepest gratitude and respect to **Prof. Dr. Kawther M. Amer** – *Professor of Pathology, Faculty of Medicine, Minoufiya University and the founder of Pathology Department of the National Liver Institute*. I owe her a lot of thanks for her close precious supervision, motherly advice, valuable instructions, and continuous encouragement and support.

My deepest thanks and many regards to **Dr. Mohamed T. Badr** - *Assistant Professor of Pathology, Liver National Institute, Minoufiya University* for his outstanding supervision, unlimited help, useful advice and continuous guidance.

I have the honor to sincerely thank **Dr. Amany O. El-Refai** - *Assistant Professor of Pathology, National Liver Institute* who supervised the practical part of this work in a supportive and educational way. Words can't express how I am grateful, not only for her many helpful remarks that assisted me very much throughout this work, but also for her friendly intelligent guidance in my career. She has generously dedicated much of

Acknowledgement

her valuable time and efforts hoping to present this work in an ideal form.

I would like to express my deepest gratitude to **Prof. Dr. Mamdouh M. Radwan** – Professor and Head of Pathology Department, Faculty of Medicine, Minoufiya University. I owe him a lot of thanks for his outstanding support and continuous encouragement.

Many thanks to Dr. **Mohamed H. El-Batanony**, Assistant Professor of Pathology – National Liver Institute for his excellent guidance, and constant concern and teaching

I would like to sincerely appreciate the efforts performed by all members of **Pathology Department, Faculty of Medicine**, Minoufiya University, who offered me a great help and care.

Tarek
