Acknowledgement

First and foremost thanks to **ALLAH**

I wish to express my sincere gratitude to **Prof. Dr. Makram Hammam**, professor and head of Pathology Department, Faculty of Medicine, Suez Canal University, for his great help starting from giving me the chance to work in this field and for precious advices during this work.

My deepest thanks to **Prof. Dr. Mohamed Ossama El-Okda** professor of Pathology, Faculty of Medicine, Suez Canal University, for his valuable directions, marvelous support and for giving me unlimited time for reviewing and discussing the results.

I wish also to thank **Prof. Dr. Taher Ibrahim El-Serafy** Professor and head of Biochemistry Department, Faculty of Medicine, Suez Canal University for his cooperation, his valuable effort and his facilitation for practical work.

I would like to express my deepest thanks to **Prof. Dr. Wagdy Talaat** Professor of Pathology, Faculty of Medicine, Suez Canal University, who provided me with his valuable assistance and ideas, his continuous advises throughout this study.

Also I owe a special debt to Kagawa Medical University, Kagawa, Japan represented by **Prof. Dr. Masaki Ohmori**, Professor and Head of Pathology Department for his great help, endless support and kind patience during practical work which contributed to the accomplishment of this work.

Finally I wish to express my deep appreciation to all members and colleagues of Pathology department at Suez Canal University-Egypt and Kagawa Medical University -Japan for their kind care and support.
