سورة يوسف الآية : (٧٦ ك)

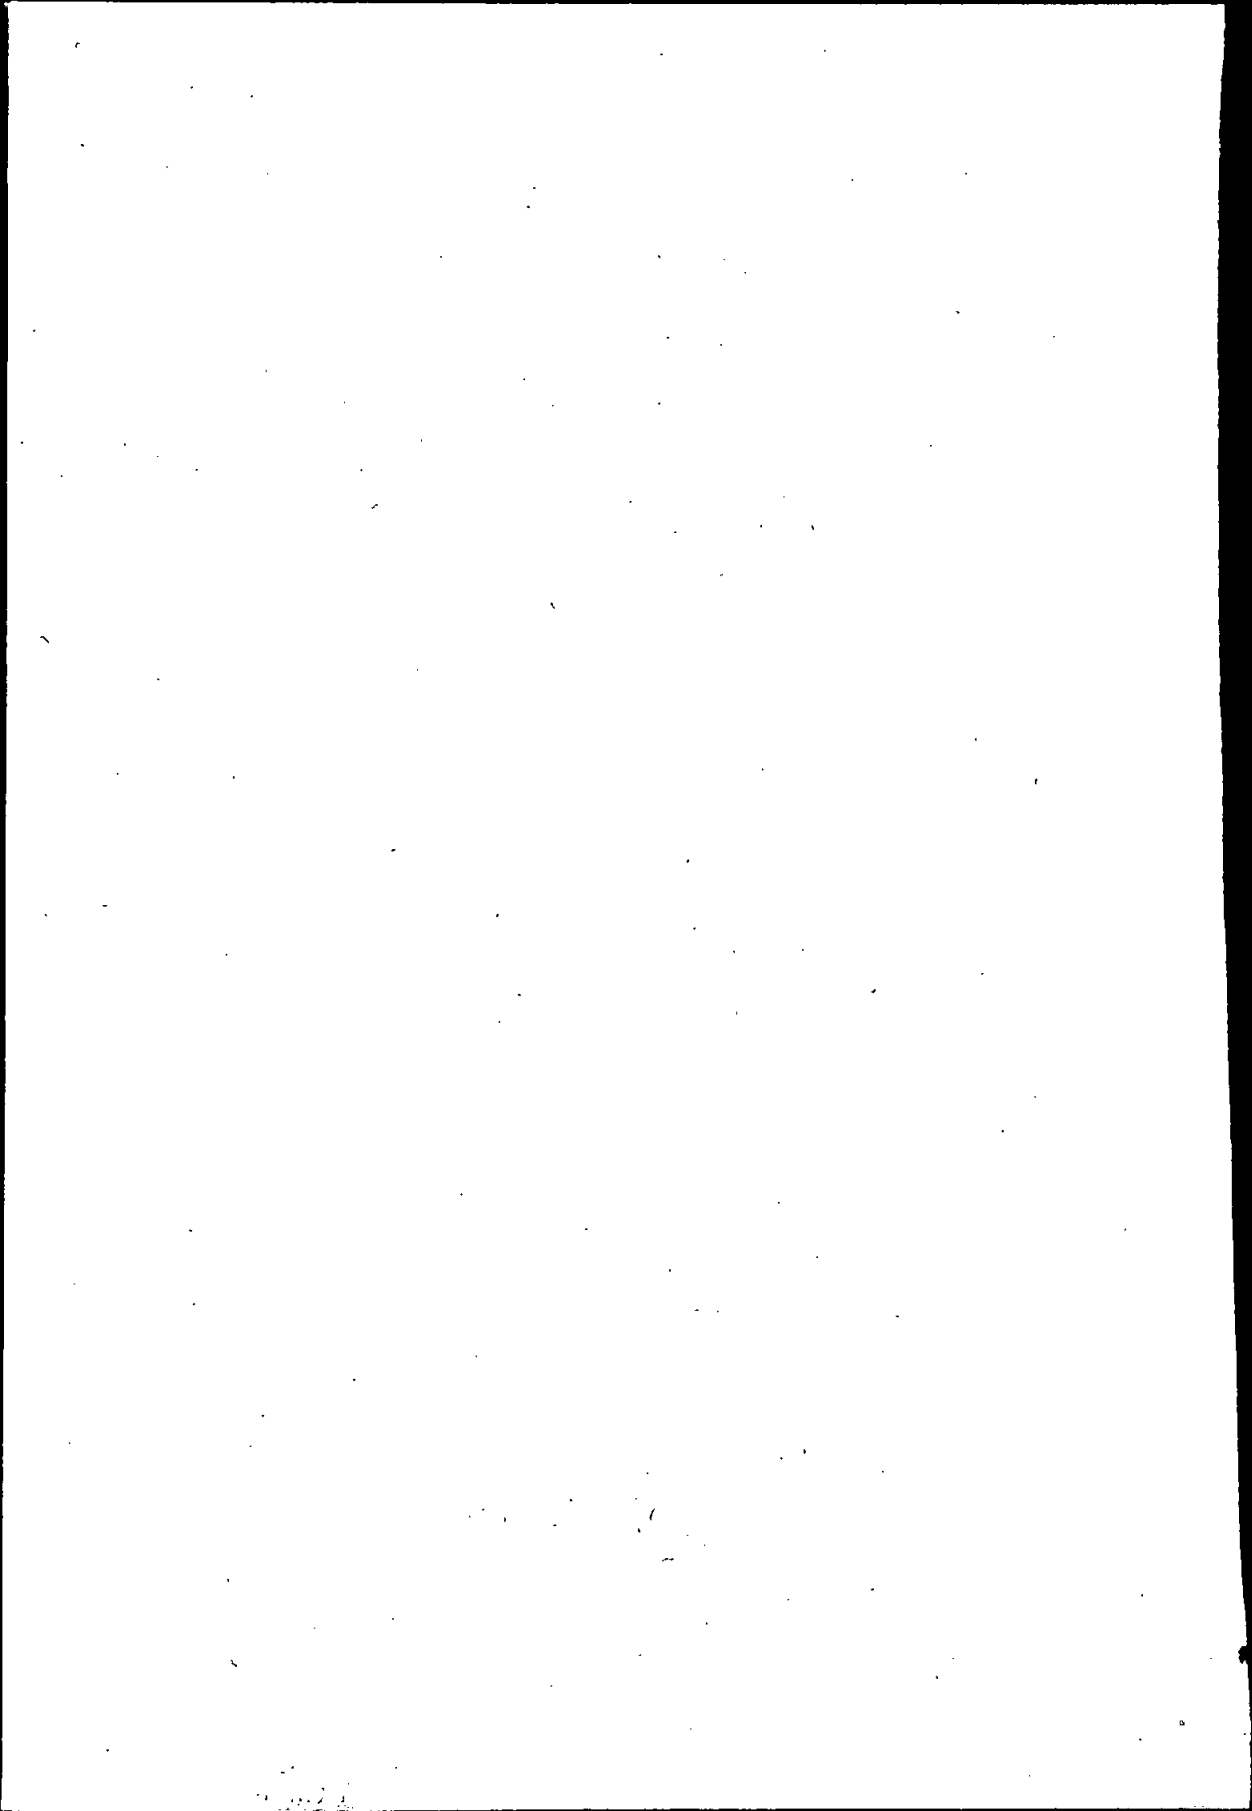

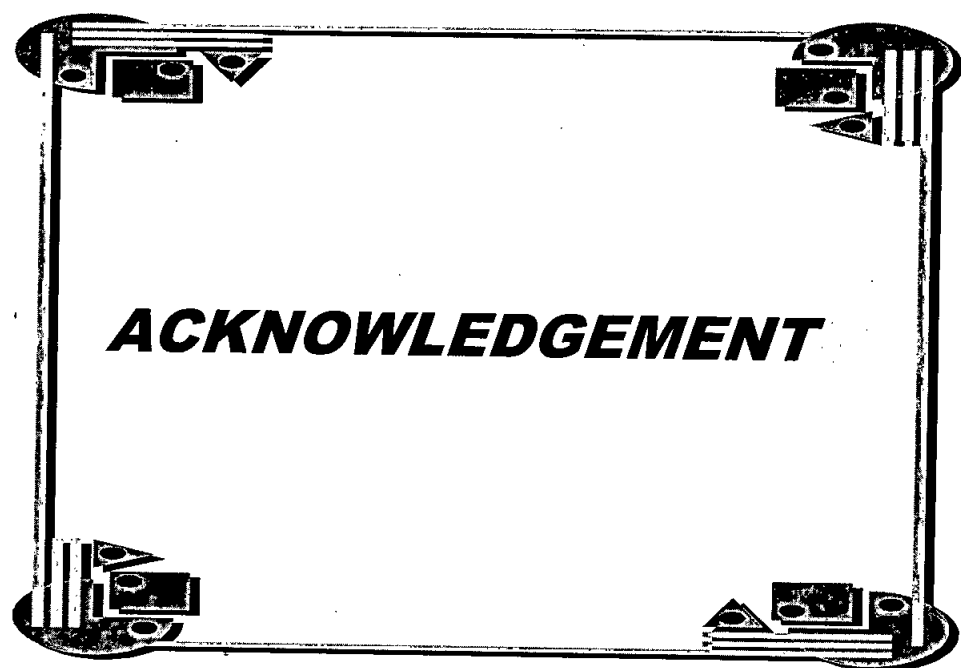

# DEDICATION

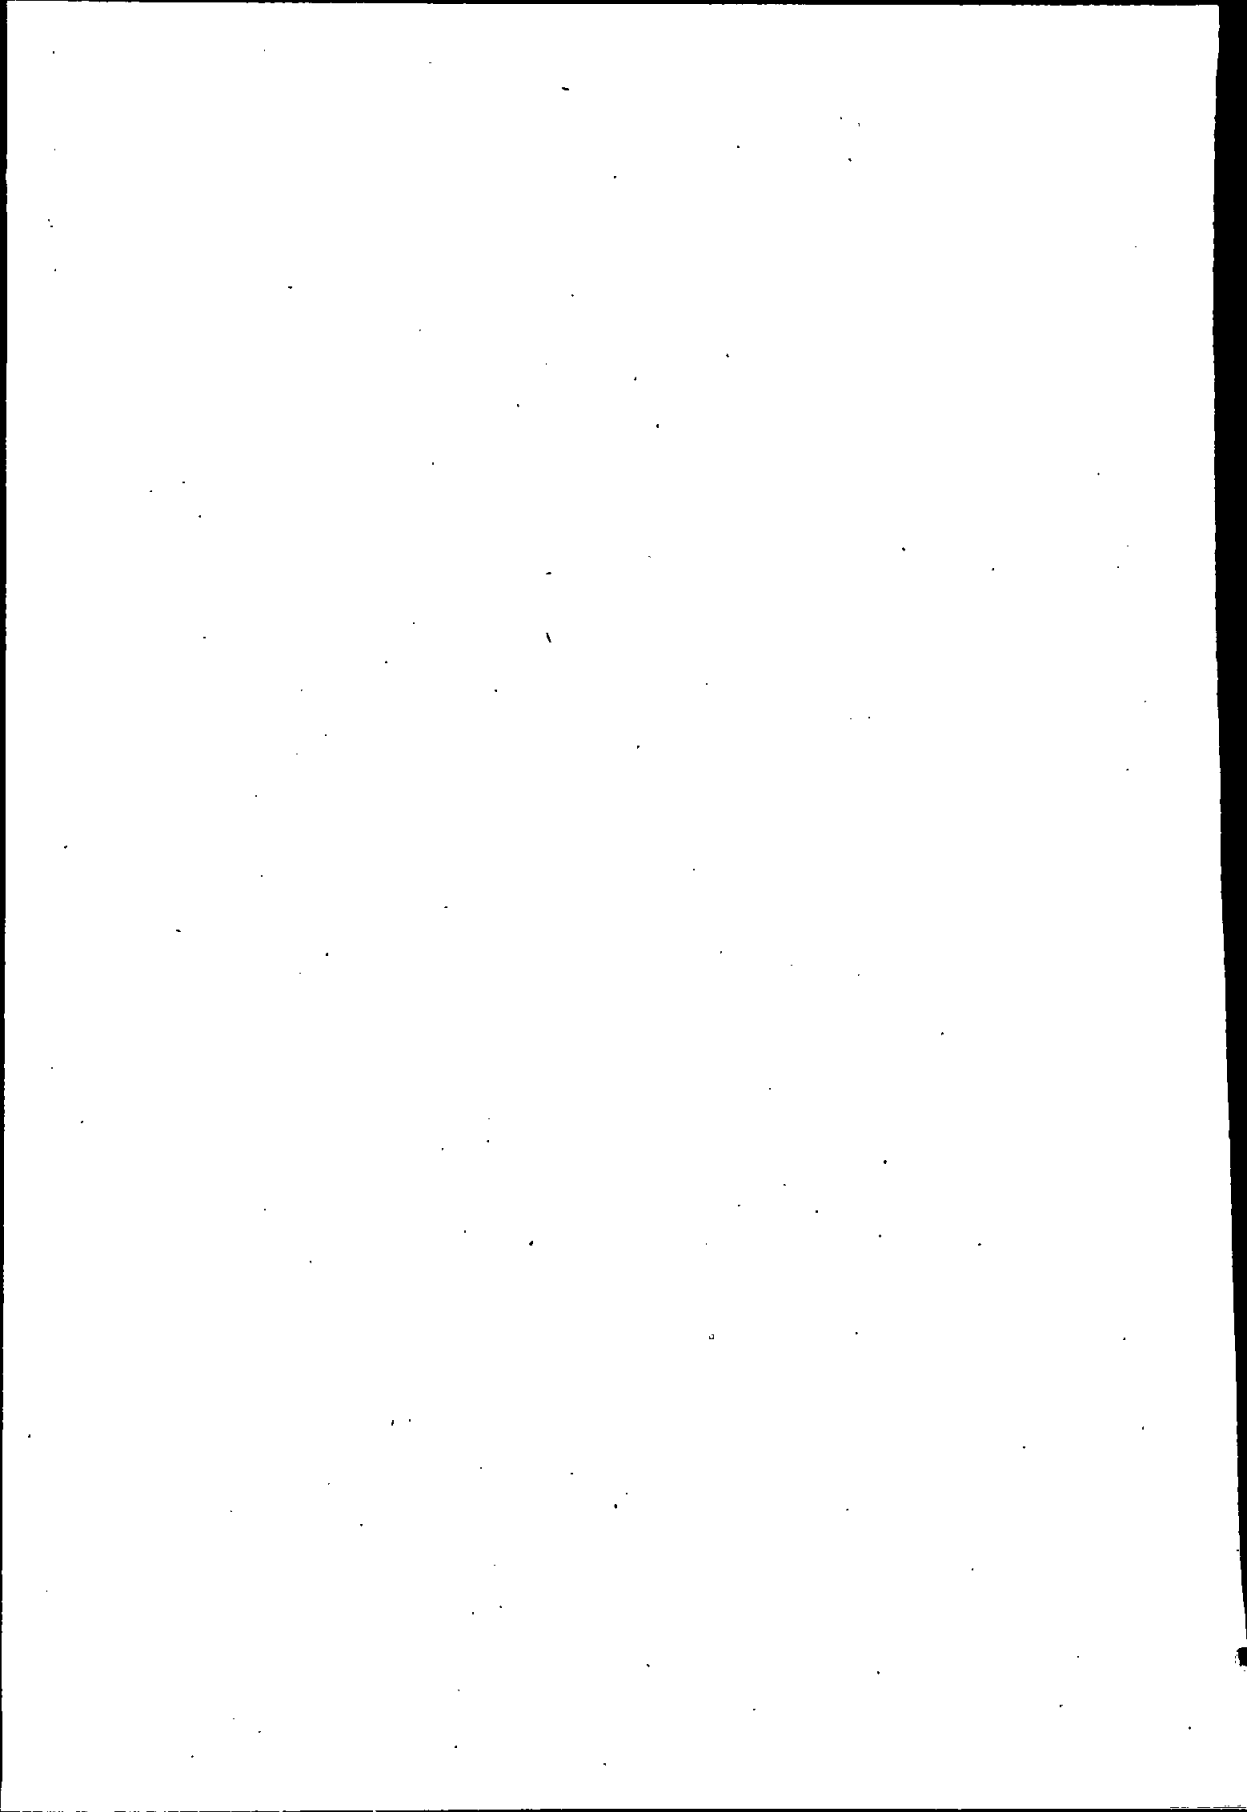

In the wholly QUR'AN ALLAH said concerning parents : (And, out of kindness, lower to them the wing of humility and say :  
“ My Lord! Bestow on them Thy mercy even as they cherished me in childhood”).

Therefore, the present work is dedicated to my mother and the memory of my father.

## ACKNOWLEDGEMENT

First of all, I do thank God for all the gifts given to me.

I wish to express my deepest appreciation and profound gratitude to **Dr. Abdel-Ghani Abdel-Hameed soliman**, Professor of Tropical medicine and Gastroentrology, Faculty of Medicine, Assiut University for his instructive supervision, kind support and continuous encouragement throughout the course of the study.

I would like to express my thanks and appreciation to **Dr. Ashraf Mahmoud Osman**, Assistant Professor of Tropical Medicine and Gastroenterology, Faculty of Medicine, Assiut University for his assistance and guidance throughout the course of study.

I would like also to express my thanks and appreciation to **Dr. Elwani D. El-Snosy**, Lecturer of Obstetrics and Gynecology, Faculty of Medicine Assiut University for his kind guidance and his assistance throughout the course of study.

It is my pleasure to express my sincere thanks to **Dr. Mohamed El Feky**, Professor of Microbiology, Faculty of Medicine, Assiut University for his great help and his

effort for obtaining the lipopolysaccharide Antigen.

It is my pleasure also to express my sincere thanks to **Dr. Mohamed Saad Badary**, Lecturer of Microbiology, Faculty of Medicine, Assiut University for his great help and continuous encouragement through out this study.

I would like to offer my appreciation to **Dr. Saad Zaki Mahmoud** for reviewing the results and discussion.

I would like to offer my great appreciation to all staff members of Tropical Medicine and Gastroenterology Department and in Obstetrics and Gynecology Department for their endless help and major encouragement.

I would like to offer my appreciation to all my colleagues in Obstetrics and Gynecology Department.

**Finally**, I would like to offer my appreciation to nurses in Obstetrics and Gynecology Department and to the laboratory workers for their assistance and to all who assist me.

*Nahed Makhlouf*
