CHANGES OF SOME HEMOSTATIC FACTORS IN CHILDREN WITH THALASSEMIC SYNDROMES

Thesis
Submitted for Partial Fulfillment in master degree
in Pediatrics

By
Mohamed Abd-Elmonem El-Sharnouby
M.B., B.ch

Supervised by
Prof. Dr. Farida Hussein El-Rashidi

Professor of pediatrics
Faculty of Medicine
Minoufyia University

Farida El.R.

Prof. Dr. Fady Mohamed El- Gendy

Assistant Professor of pediatrics
Faculty of Medicine
Minoufyia University

FADY

Dr. Khaled Abd El- Momen Ali

Lecturer of Clinical Pathology Faculty of Medicine

ACKNOWLEDGEMENT

I am deeply thankful to my God by the grace of whom this work was possible.

I would like to express my deep appreciation and utmost gratefulness to **Prof. Dr. Farida Hussein El-Rashidi**, Professor of Pediatrics, Faculty of Medicine, Minoufyia University, for her constant guidance, experienced advice and great encouragement.

.. I would like to express my deepest gratitude and appreciation to **Prof. Dr. Fady Mohamed El-Gendy**, Assitant Professor of Pediatrics, Faculty of Medicine, Minoufyia University, for his continuous attention and follow up to complete this work.

My appreciation, thanks to **Dr. Khaled Abd El-momen Ali**, Lecturer of Clinical Pathology, Faculty of Medicine, Minoufyia University, for his guidance and great care in the completion of this work.

I would like also to express my great thanks to our thalassemic children and their relatives for their cooperation.

Mohamed A. El-Sharnouby
