Acknowledgement

I would like to express my deepest gratitude to our *Prof. Dr. Mostafa Bayoumi Hasssanien*, Professor of Anaesthesiology, Zagazig University, who honored me by his supervision, precious advises, meticulous revision and encouragement in performing this work.

No words can fulfill the feeling of gratitude and respect I carry to *Prof. Dr. Omar Mohy El-Din*, Professor of Anaesthesiology, Zagazig University, for his great direction all through this work with a scientific personality and kind heart.

I would like to express my sincere gratitude and cardial thanks to *Dr. Mohamed Ali Hammada*, Assist. Prof. of Anaesthesia and Intensive Care Department, Benha Faculty of Medicine, for his kind supervision, generous cooperation and constant help.

My deep appreciation to *Dr. Nazik Abdalla Tawfik*, Assist. Prof. of Pharmacology Department, Benha Faculty of Medicine, for her generous cooperation and energetic help during the course of this work.

My special thanks and gratitude to all my colleagues in the department of anaesthesia, Benha Faculty of Medicine, for their cooperation and sincere help.
