ACKNOWLEDGMENT

All thanks to ALLAH, greatest of all, for the countless gifts I have been offered.

I would like to express my deep thanks and gratitude to **Prof. Dr. Ali Hussain Zarzour**, Professor of Community Medicine, Faculty of Medicine, Assiut University, for his continuous guidance and valuable efforts in revising this work, and for his meticulous follow up and evaluation of the work.

I am deeply grateful to **Prof. Dr. Mohammad Hassan Qayed**, Professor of Community Medicine, Faculty of Medicine, Assiut University, for his great effort and time he paid in order to draw the outlines of this work and to revise every statement and even every word. He is actually very honest, meticulous and encouraging.

I wish to express my particular thanks to **Dr. Salah Ali Ismail**, Assistant Professor of Obstetrics and Gynecology, Sohag Faculty of Medicine, South Valley University, for the meticulous help and valuable lessons he offered in evaluation of this work and for his kind advice and constant encouragement.

I wish to express my particular thanks to **Dr. Mohammed Galal Moustafa**, Assistant Professor of Histopathology, Faculty of Medicine, Assiut University, for his efforts in the histopathological examination and reporting of the cervical smears and for his kind advice and constant encouragement.
