Acknowledgement

First, I would like to express my sincere thanks to ALLAH for his profound help, giving me force and patience to accomplish this work.

I would like to thank all the psychiatric inpatients and staff members of El Maamoura Hospital for Psychiatric Medicine who cooperated with me in conducting this research.

I would like to express my deepest gratitude to **Ass. Prof. Dr /Magdala Habib Maximos** Assistant Professor of Psychiatric Nursing & Mental Health – Faculty of Nursing – University of Alexandria for her kind, close supervision, guidance, and patience.

I owe a special thanks to **Dr. Maha Mohamed Gafaar** Lecturer of Psychiatric Nursing & Mental Health – Faculty of nursing – University of Alexandria for her continuous, ongoing assistance, help, and guidance.

Gratefully , I would like to send a special thank for **Mrs. Ghada Elshaeshae** ,Biostatistician, Demonstrator at the higher institute of Public Health, Alexandria University, for her assistance in carrying out the statistical analysis of this research.

Last, but not least , I would like to offer my precious thanks to my family , especially my mother , for her sincere , kind support ; and to my uncle Mohammed Abdel-Alim for his support .

I owe a special thanks to my fiancée, for his emotional support and tolerance. And to every one else who helped me to get where I am, right now.

To the spirit of my father, I dedicate all this work, in a sincere wish that ALLAH add it to his virtues, and thanks for making me the person I am.
