# Acknowledgments

First and foremost, I would like to thank Allah, the Most Gracious, and the Most Merciful, for helping me finish this work.

*Also, I am deeply grateful and sincerely thankful to professor Dr. Mostafa M. K. Eyada, Professor of dermatology and venerology, Faculty of Medicine, Suez Canal University, for his generous help and assistance, continuous advice, and meticulous follow-up of every word written in this study.*

*I wish to express my sincere appreciation and deep gratitude to professor Dr. M. Refaat Habba Assistant Prof. of Diagnostic Radiology, Faculty of Medicine, Suez Canal University, for his endless help, enormous effort and patience in preparing this study and for his continuous supervision.*

*I am also thankful to Dr. Rabea A. Abobakr Lecturer of Dermatology & Andrology, Faculty of Medicine, Suez Canal University, whose moral support cannot be praised with words, and without his help, excellent scientific guidance, faithful concern, this work would have been less rewarding.*

*Lastly, but certainly not lastly, I would like to express my warm thanks and appreciation to all staff members of the dermatology and andrology department, Suez Canal University, and of course, to my colleagues in the Dermatology & Andrology Department, for their kind words, support, and advice.*

Thank You  
Ahmed Hamoud Nashwan
