SUPERVISORS

Prof. Dr. Mohamed S. El-Attar

Professor of Prosthodontics,
Faculty of Dentistry,
Alexandria University.

Prof. Dr. Mohamed Fata

Professor of Maxillofacial & Plastic Surgery,
Faculty of Dentistry,
Alexandria University.

Prof. Dr. Mohie El-Din El-Rashidy

Professor of Oral Medicine & Periodontics,
Faculty of Dentistry,
Alexandria University.

Dr. Aly Mahmoud.

Assistant Professor of Prosthodontics,
Faculty of Dentistry,
Alexandria University.

ACKNOWLEDGMENT

I would like to express my deepest gratitude to Prof. Dr. Mohamed Sherine El-Attar for his kind support and encouragement through this research. Without his patience, care, advice and, great knowledge, this work would have never been possible.

I am deeply thankful and grateful to Prof. Dr. Mohamed Fata for his precious and continuous efforts in the surgical procedures of this research.

I would like to express my sincere gratitude to Prof. Dr. Mohie El-Rashidy for his guidance, constant encouragement and kind supervision.

My most sincere thanks and appreciation are due to Dr. Aly Mahmoud for his valuable advice and continuous support through this research and during writing the thesis.

I would like to express my sincere gratitude to all members of the department of prosthodontics, maxillofacial surgery, and periodontics for their kind help throughout the study.

No words can express my gratitude and thanks to all who have assisted and cooperated during the progress of this research.

My sincere love and gratitude to my wife, my daughter, my father and all members of my family for their patience and support.
