MANAGEMENT OF URETERIC STONES USING HOLMIUM LASER

Thesis
Submitted in partial fulfillment for
M. Sc. Degree in Urology

By
Ahmed Serag Mahmoud
M.B.B.CH. Urology
Faculty of medicine, Assiut University

Under Supervision of
Prof. Dr. Mohamed Ibrahim Taha
Professor of Urology
Faculty of medicine, Assiut University

Dr. Atef Ali Gaafar
Assistant Professor of Urology
Faculty of medicine, Assiut University

Dr. Ahmed Mohamed Al-Taher
Lecturer of Urology
Faculty of medicine, Assiut University

Assiut
2002

الْحَكِيمَ

سورة التوبة

(سورة يوسف - الآية ٧٦)

Acknowledgement

I would like to express my profound and sincere appreciation to *Professor Mohamed Ibrahim Taha*, Professor of urology, Assiut University, for his continuous encouragement, whole hearted support, sound criticism and enthusiastic help that made this work possible.

I was fortunate to carry out this work under the guidance of *Dr. Atef Ali Gaafar*, Assistant professor of urology, Assiut University, who offered much of his time and experience.

Also I am indebted to *Dr. Ahmed Mohamed Al-Taher*, lecturer of Urology, Assiut University, for his faithful support and unlimited help during fulfillment of this work.

Finally, I would like to thank the staff members, my colleagues of the department of Urology, my friends and my family for their sincere support during the accomplishment of this work.

Ahmed Serag
