**MONA MAGHRABY**

# **Psychiatric Morbidities among an Egyptian Sample of Patients attending Primary Health Care Outpatient Clinics**

*Thesis*

Submitted for Partial Fulfilment of Master Degree  
in Neurology and Psychiatry

*Submitted by*

***Mohamed Ahmos Fahmy Mohamed Fahmy El-Tawila***  
*M.B.B.Ch.*

*Supervised by*

**Prof. Dr. Tarek Ahmed Okasha**

*Professor of Neuropsychiatry  
Faculty of Medicine – Ain Shams University*

**Prof. Dr. Nivert Zaki Mahmoud**

*Professor of Neuropsychiatry  
Faculty of Medicine – Ain Shams University*

**Dr. Dalia Abd El-Moneim Mahmoud**

*Assistant Professor of Neuropsychiatry  
Faculty of Medicine – Ain Shams University*

Faculty of Medicine  
Ain Shams University

**2020**

## *Acknowledgment*

*First of all, thanks to **Allah** whose magnificent help was the main factor in completing this work,*

*I wish to express my deepest gratitude to all those who assisted me to complete this work,*

*I'd like to express my sincere thanks and gratitude to **Prof. Dr. Tarek Ahmed Okasha**, Professor of Neuropsychiatry, Faculty of Medicine, Ain Shams University, for his support and valuable advice which made possible the completion of this work,*

*I'd also like to warmly thank **Prof. Dr. Nivert Zaki Mahmoud**, Professor of Neuropsychiatry, Faculty of Medicine, Ain Shams University, for her precious remarks, continuous support and guidance.*

*All my appreciation and regards to **Dr. Dalia Abd El-Moneim Mahmoud**, Assistant Professor of Neuropsychiatry, Faculty of Medicine, Ain Shams University, for giving me much of her time, effort and valuable advice which lead to the progress and accomplishment of this work,*

*I'd also wish to express my thanks and regards to my family for their support all through this work,*

*Last but not least my sincere thanks and appreciation to all patients participated in this study, without whom this work would have never been completed.*
