Approval Sheet

Name: Sherihan Samir Hassan Mohamed

Title: Molecular epidemiology of Polyomaviruses in Egyptian water environment and its relationship to colorectal cancer in Egyptian patients.

This thesis for M.Sc. Degree has been approved by the following:

Supervisors:

1. Prof. Dr. Ahmed Barakat Barakat

Professor of Virology, Microbiology Department, Faculty of Science, Ain Shams University.

2. Dr. Omar Alfarouk Rabiee Elsayed

Lecturer of Microbiology, Microbiology Department, Faculty of Science, Ain Shams University.

Advisory Committee:

1. Prof. Dr. Mohamed Ali Saber

Professor of Biochemistry and Molecular Biology, Theodore Bilharz Research Institute

2. Prof. Dr. Samar Samir Youssef

Professor of Medical Biotechnology, Microbial Biotechnology Department, National Research Center.

3. Prof. Dr. Ahmed Barakat Barakat

Professor of Virology, Microbiology Department, Faculty of Science, Ain Shams University.

Date of Examine / /

Declaration

I declare that the thesis titled “Molecular epidemiology of Polyomaviruses in Egyptian water environment and its relationship to colorectal cancer in Egyptian patients” is my own work and has not previously been submitted to any other university. The references were being checked whenever possible; show the extent to which I have availed myself of the work of other authors.

*Sherihan Samir Hassan
Mohamed*

Dedication

With all my heart, I dedicate this thesis to my beloved people, my source of inspiration, strength and happiness ...

*To the soul of my dearest, **Mom**. Your life was a blessing, your memory is a treasure, you are loved and missed beyond words and will never be forgotten.*

*To my family; **my father, sister and brother**, for their ultimate unconditional love, encouragement and support.*

To my friends who make this world a better place to live in, for all the unforgettable memories and laughs they gave to me ♥
